

How can Eastern Savings & Loans help you?

Financing your escape

The flexibility of our Holiday Loans allows you to borrow an amount which exactly meets your needs. Having the funds available to pay for your holiday gives you the flexibility to shop around for your ideal holiday.

Treat yourself to a holiday with an ESLCU loan. Each loan is tailored to your needs with competitive interest rates, allowing you to book your holiday without the stress or worry of finding the money.

Even if you already have a loan, you can still apply for a top up loan, once you are halfway through your current loan. If your loan is approved, a BACS payment can be made on the same day. Before you know it, you'll be leafing through travel brochures and stocking up on sun cream, safe in the knowledge that your holiday has been paid for with an affordable ESLCU Holiday Loan, provided by a not-for-profit organisation with your best interests at heart. **Apply today**
