

Autumn Update

Christmas Loans & Savings

Do you like to be prepared? If you are already thinking about Christmas, our Christmas loan can not only save you money with lower interest rates compared to other lenders, you can also save for next Christmas at the same time. Remember you do not need online access to apply for a loan online, and you can repay weekly or monthly, whichever suits you. See our website for more information. [Read more »](#)

Make the most of your money!

We are always looking for ways to help our members save money. Our blog page is full of different posts, including ideas on how to make savings this Christmas, ways to improve your home on a budget and free downloadable templates for a spending diary and lots more! Check it out today >>

Change Account

Do you struggle to work out how much money you have left after all your bills are paid? The Change Account could help! Not only do you get up to 12% cashback on purchases at selected retailers and a Free Mobile banking app, you can set up a separate pot to pay your bills from. The Change Account puts you in control. [Find out more>>](#)

Unexpected emergency?

Don't use high cost lenders; see if we can help first! We can get you a decision in 2-3 working days and you can apply for a loan with us online. By coming to us you can save hundreds in interest repayments and you can also also put money aside at the same time, to build a rainy-day fund for the future. [Find out more>>](#).

Straight from your pay

Do you, or someone you know, work for one of our payroll partners? You can make loan repayments and save straight from your pay. The employer will not know the reason for the deduction. So if you are thinking of consolidating your debts or some home improvements, a loan from us could be the answer. Its quick, and easy. [Find out more»](#)
