Holidays & Holiday extras

The flexibility of our Holiday Loan allows you to borrow an amount which exactly meets your needs. That could be for spending money, holiday clothes or to book a break away. We may be able to help with loans from £500, up to £4,000.

Each loan is tailored to your needs with competitive interest rates, allowing you to book your holiday or pay for extras without the stress or worry of finding the money.

Even if you already have a loan, you can still apply for a top up loan once you are halfway through your current loan. If your loan is approved, a BACS payment can be made on the same day we receive your signed loan agreement. Before you know it, you'll be searching travel sites or stocking up on sun cream, safe in the knowledge that your holiday has been paid for with an affordable ESLCU Holiday Loan, provided by a not-for-profit organisation with your best interests at heart.
